The Honorable U. Alexis Johnson *ack*  
Deputy Under Secretary of State  
(Political Affairs)  
The Department of State  
Washington 25, D. C.

Dear Mr. Johnson:

Mr. McCone asked that this report be brought to your personal attention since it contains some interesting first-hand observations on the current situation in Cuba. This report specifically pinpoints certain important groups in Cuba who originally supported the Castro revolution but have now become discontented and are increasingly hostile to the regime.

Sincerely,

(Signed)
